## 12<sup>th</sup> Seminar on Current Issues in Health Care Insurance (12 CIHCI)

Advisory Group : Advisory Group on Health Care Insurance  
Date : 14<sup>th</sup> November, 2018, Wednesday  
Time : 9:00 am to 06:00 pm  
Venue : Hotel Sea Princess, Mumbai

### Background

Health Insurance in India is growing at a healthy rate of 25% year-on-year. This growth rate is expected to continue for many more years because the penetration of voluntary individual health insurance products is still abysmally low when compared to other developed countries. The no. of Standalone Health Insurers has gone up to 7 which is a testimony to growing interest in this space. High growth also comes with its own sets of challenges. The Seminar on Current Issues in Health Insurance will provide an opportunity to deliberate on these opportunities and challenges together as an industry.

The Seminar would focus on the following topics:-

- 1 Panel Discussion on Ayushman Bharat
- 2 IFRS 17 - Health Insurance Perspective
- 3 Introduction to Mental Illnesses and factors to consider for offering Insurance
- 4 Panel Discussion on Insurtech, etc.

**Presenters:** Experienced professionals with number of years of experience in health insurance industry would be participating in this capacity building seminar and sharing their experiences and insights with the audience.
